We contract with TADS.com as an independent third party to collect financial information and make recommendations based upon financial need. Your information is kept confidential within those who handle the finances of our school. This is not part of the School Choice program. There are no income guidelines. This is for those who want to be at CLS, don't qualify for choice, but can't afford the full tuition without a little help. If you have any questions on this process, please reach out to Miss Laura.
